### Privacy Policy

If you require any more information or have any questions about our Privacy Policy, please feel free to contact us. At Armanini, Kolodychak, & Basile, L.L.P., the confidentiality and privacy of our patients, clients, and visitors, is of extreme importance to us. The Notice of Privacy Practices document on our site outlines this information.

### Log Files

Like many other websites, Armanini, Kolodychak, & Basile, L.L.P. may make use of digital log files. The information inside the log files may include internet protocol (IP) addresses, type of browser, Internet Service Provider (ISP), date/time stamp, referring/exit pages, and number of clicks to analyze trends, administer the site, track a user's movement around the site, and gather demographic information. This data, IP addresses and other such information are not linked to any information that is personally identifiable.

### Accessibility

We strive to make the Armanini, Kolodychak, & Basile, L.L.P. website universally accessible and we are continuously working to improve the accessibility of content on our website. Below, you'll find a few recommendations to help make your browsing experience more accessible:

If you have trouble seeing web pages, the US Social Security Administration offers these tips for optimizing your computer and browser to improve your online experience.

- » Use the keyboard to navigate screens
- » Increase text size
- » Magnify your screen
- » Change background and text colors
- » Make your mouse pointer more visible (Windows only)

If you are looking for mouse and keyboard alternatives, speech recognition software such as Dragon Naturally Speaking may help you navigate web pages and online services. This software allows the user to move focus around a web page or application screen through voice controls.

If you are deaf and or hard of hearing, there are several accessibility features available to you:

### Closed Captioning

Closed captioning provides a transcript for the audio track of a video presentation that is synchronized with the video and audio tracks. Captions are often visually displayed over the video, which benefits people who are deaf and hard of hearing, and anyone who cannot hear the audio due to noisy environments. Most of our video content includes captions. Learn how to turn captioning on and off in YouTube.

### Volume Controls

Your computer, tablet, or mobile device has volume control features. Each video and audio service has its own additional volume controls. Try adjusting both your device's volume controls and your media players' volume controls to optimize your listening experience.

If the recommendations above do not meet your needs, please contact us at Armanini, Kolodychak, & Basile, L.L.P. at 814-838-2144 for further assistance.
