Updated March 2023

Please note that these lists are not intended to be all-inclusive, and may change without notice. Furthermore, a carrier that we participate with may have "narrow network plans" that we are not a participating provider for. We strongly urge you to contact your health and/or dental carrier(s) directly to confirm our Practice's network participation status prior to your appointment.

A Note About Medicare and Medicaid

At this time, our Practice is opt-out status with Medicare and Medicare Advantage. This means that each individual patient will enter into a private, self-pay, financial contract with our Practice. However, some Medicare Advantage Dental policies may allow its subscribers to see a Medicare opt-out provider and obtain reimbursement for covered services from the carrier directly.

Our Practice is non-participating with Medical Assistance (Access, Aetna Better Health, Aetna CHIP, AmeriHealth, Fidelis Care, Gateway Health, Highmark CHIP, Highmark Wholecare, Keystone First, Pennsylvania Medicaid, Scion, Skygen, United Healthcare Community Plan, United Healthcare CHIP, UPMC for You, etc.) at this time.
